Comments:

- Entertaining and insightful presentation
- Excellent Information. Rich History!
- Excellent, engaging presentation. Useful information

- Both were very energetic and passionate about their interests in cultural competency. I hoped that one or both of the speakers would comment on their thoughts of how the efforts of being “culturally competent” would also aid in recovery or eliminating health disparities
- The cultural component was necessary and quite informative
- Very dynamic and informative speakers
- Dr. Terry Mills is an eloquent and masterful speaker
