

Department of Veterans Affairs Ralph H. Johnson VA Medical Center

Psychiatric/Mental Health NP Residency

- One year salaried residency
- Start date: October 1, 2018
- Residency will prepare you in Veteran-Centric Continuum of Care Services and Evidence Based Practice for Veterans in Urban, Rural and Remote Settings.
- The Ralph H. Johnson VAMC is a five star SAIL medical center, indicating the highest standard of care for a VA medical center
- The Mental Health Service Line has over 300 Mental Health Professionals, 6 Community Based Outpatient Clinics (CBOCs) and a dedicated trauma research center
- This program is part of the VA Nursing Academic Partnership program (VANAP), a partnership with the Medical University College of Nursing (MUSC CON). The MUSC CON is recognized for excellence in nursing research funding, leadership in PMHN policy and online doctoral programs.
- Requirements: APRN Licensure and ANCC Certification (PMHFNP), graduation within one year.
